

## HOUSE BILL NO. 269

INTRODUCED BY D. RICE, TASH

1  
2  
3  
4 A BILL FOR AN ACT ENTITLED: "AN ACT REVISING LAWS RELATING TO WEEDS; REMOVING THE  
5 REQUIREMENT THAT AN OWNER SELLING PROPERTY PROVIDE NOTICE THAT THERE IS THE  
6 POTENTIAL EXISTENCE OF NOXIOUS WEEDS; PROVIDING THAT A COUNTY WEED BOARD MAY  
7 ESTABLISH EMBARGOES; CLARIFYING STATUTES REGARDING THE CREATION OF A NOXIOUS WEED  
8 FUND IN EACH COUNTY; REMOVING THE REQUIREMENT THAT AN INTEGRATED NOXIOUS WEED  
9 MANAGEMENT PLAN WITH STATE AGENCIES BE FOR 6 YEARS; REMOVING THE REDUNDANT STATUTE  
10 REGARDING RESPONSIBILITY FOR ASSESSMENTS AND TAXES FOR THE WEED DISTRICT; PROVIDING  
11 A TRANSFER OF FUNDS; AMENDING SECTIONS 7-22-2116, 7-22-2126, 7-22-2142, AND 7-22-2151, MCA;  
12 AND REPEALING SECTIONS 7-22-2149 AND 77-6-114, MCA; AND PROVIDING EFFECTIVE DATES."

13  
14 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

15  
16 **Section 1.** Section 7-22-2116, MCA, is amended to read:  
17 **"7-22-2116. Unlawful to permit noxious weeds to propagate -- notice required in sale.** (1) It is  
18 unlawful for any person to permit any noxious weed to propagate or go to seed on the person's land, except that  
19 any person who adheres to the noxious weed management program of the person's weed management district  
20 or who has entered into and is in compliance with a noxious weed management agreement is considered to be  
21 in compliance with this section.

22 (2) When property is offered for sale, the person who owns the property shall notify the owner's agent  
23 and the purchaser of the existence ~~or potential existence~~ of noxious weeds on the property offered for sale."

24  
25 **Section 2.** Section 7-22-2126, MCA, is amended to read:  
26 **"7-22-2126. Embargo.** (1) The board may establish ~~voluntary~~ embargo programs to reduce the spread  
27 of noxious weeds within the district or the introduction of noxious weeds into the district.

28 (2) The board shall establish a special embargo program for the movement of forage, as defined in  
29 80-7-903, into or out of the county. The board may implement an embargo upon confirmation of a violation, based  
30 upon complaint investigations, requests for investigation by the department, or through county investigations, if

1 the forage has not been certified by the state and is being sold as noxious weed seed free, as defined in  
2 80-7-903.

3 (3) A person in possession of the forage that is not in compliance with Title 80, chapter 7, part 9, may  
4 not move or dispose of the forage as noxious weed seed free that is subject to embargo until written permission  
5 is obtained from the board. If the forage that is subject to embargo is found to have met all of the requirements  
6 of the state certification program and the department verifies compliance with the program, the board shall  
7 release the embargo. The board may also release the forage under the following conditions:

8 (a) verification of guaranteed delivery back to the original producer, as defined in 80-7-903;

9 (b) burning or disposal of the forage in a manner acceptable to the board; or

10 (c) other alternatives approved by the board.

11 (4) The board shall report all embargoes issued and the final resolution of an embargo imposed pursuant  
12 to a violation of Title 80, chapter 7, part 9, to the department within 48 hours.

13 (5) The person in possession of forage subject to embargo shall comply with the conditions approved  
14 by the board within 30 days. If resolution is not accomplished, the board may condemn the forage and implement  
15 through its employees any of the conditions set forth in this section. If the board proceeds with correction of these  
16 conditions after 30 days, all actual expenses incurred and documented by the board are payable by the producer  
17 unless the person in possession of the forage also has an interest in the forage."  
18

19 **Section 3.** Section 7-22-2142, MCA, is amended to read:

20 **"7-22-2142. Sources of money for noxious weed fund.** ~~(1) The commissioners may create a noxious~~  
21 ~~weed fund to enable the board to fulfill its duties as specified in 7-22-2109.~~

22 ~~(2)~~(1) The commissioners may provide sufficient money in the noxious weed fund for the board to fulfill  
23 its duties, as specified in 7-22-2109, by:

24 (a) appropriating money from the general fund of the county; and

25 (b) subject to 15-10-420 and at any time fixed by law for levy and assessment of taxes, levying a tax of  
26 not less than 1.6 mills on the taxable value of all taxable property in the county or by contributing an equivalent  
27 amount from another source of not less than the amount received from all county sources in fiscal year 2000 or,  
28 for first-class counties, as defined in 7-1-2111, the greater of the amount received from all county sources in fiscal  
29 year 2000 or \$100,000. The tax levied under this subsection must be identified on the assessment as the tax that  
30 will be used for noxious weed control.

1           ~~(3)~~(2) The proceeds of the noxious weed control tax or other contribution must be used solely for the  
2 purpose of managing noxious weeds in the county and must be deposited in the noxious weed fund.

3           ~~(4)~~(3) Any proceeds from work or chemical sales must revert to the noxious weed fund and must be  
4 available for reuse within that fiscal year or any subsequent year.

5           ~~(5)~~(4) The commissioners may accept any private, state, or federal gifts, grants, contracts, or other funds  
6 to aid in the management of noxious weeds within the district. These funds must be placed in the noxious weed  
7 fund.

8           ~~(6)~~(5) The commissioners may impose a tax for weed control within a special management zone as  
9 provided in 7-22-2121(4). For the purposes of imposing the tax, the special management zone boundaries must  
10 be established by the board and approved by a majority of the voters within the special management zone. The  
11 amount of the tax must be approved by a majority of the voters within the special management zone, and  
12 approval of the zone and the tax may occur simultaneously. Revenue received from a special management zone  
13 tax must be spent on weed management projects within the boundaries of the special management zone."  
14

15           **Section 4.** Section 7-22-2151, MCA, is amended to read:

16           **"7-22-2151. Cooperative agreements.** (1) A state agency that controls land within a district, including  
17 the department of transportation; the department of fish, wildlife, and parks; the department of corrections; the  
18 department of natural resources and conservation; and the university system, shall enter into a written agreement  
19 with the board. The agreement must specify mutual responsibilities for integrated noxious weed management  
20 on state-owned or state-controlled land within the district. The agreement must include the following:

21           (a) ~~a 6-year~~ an integrated noxious weed management plan, which must be updated biennially;

22           (b) a noxious weed management goals statement;

23           (c) a specific plan of operations for the biennium, including a budget to implement the plan; and

24           (d) a provision requiring a biennial performance report by the board to the state weed coordinator in the  
25 department of agriculture, on a form to be provided by the state weed coordinator, regarding the success of the  
26 plan.

27           (2) The board and the governing body of each incorporated municipality within the district shall enter into  
28 a written agreement and shall cooperatively plan for the management of noxious weeds within the boundaries  
29 of the municipality ~~by January 1, 2002~~. The board may implement management procedures described in the plan  
30 within the boundaries of the municipality for noxious weeds only. Control of nuisance weeds within the

1 municipality remains the responsibility of the governing body of the municipality, as specified in 7-22-4101.

2 (3) A board may develop and carry out its noxious weed management program in cooperation with  
3 boards of other districts, with state and federal governments and their agencies, or with any person within the  
4 district. The board may enter into cooperative agreements with any of these parties.

5 (4) Each agency or entity listed in subsection (1) shall submit a statement or summary of all noxious  
6 weed actions that are subject to the agreement required under subsection (1) to the state weed coordinator and  
7 shall post a copy of the statement or summary on a state electronic access system."
